This is an example of the `example` environment.

1.1 A subsection

Question 2.
The question in a subsection

Example.
This is an example of the `example*` environment.

Question 3.
Another question in a subsection

Example 2.
This is an example of the `example` environment.

1.1.1 A subsubsection

Question.
A starred question in a subsubsection

Example 3.
This is an example of the `example` environment.

Question 4.
The question in a subsubsection

Question 5.
Another question in a subsubsection

Example 4.
This is an example of the `example` environment.

1.1.2 A subsubsection

Question 6.
The question in a subsubsection

Example 5.
This is an example of the `example` environment.

Question 7.
Another question in a subsubsection

1.2 Another subsection

Example 6.
This is an example of the `example` environment.

Question 8.
Another question in a subsection

Question 9.
What is this question?

2 Another section

Question 1.
Another question in another section

Question 2.
Another question in another section

Example 7.
This is an example of the `example` environment.

2.1 A subsection

Question 3.
The question in a subsection

Question 4.
Another question in a subsection

Example 8.
This is an example of the `example` environment.

Question 5.
Another question in a subsection

2.1.1 A subsubsection

Question 6.
The question in a subsubsection

Question 7.

Another question in a subsubsection

Example 9.
This is an example of the `example` environment.

2.1.2   A subsubsection

Question 8.
The question in a subsubsection

Question 9.
Another question in a subsubsection

Example 10.
This is an example of the `example` environment.
