This is an example of the `example` environment.

1.1 A subsection

Question 1-b.

The question in a subsection

Example.

This is an example of the `example*` environment.

Question 1-c.

Another question in a subsection

Example 2.

This is an example of the `example` environment.

1.1.1 A subsubsection

Question.

A starred question in a subsubsection

A counter: 1

Example 3.

This is an example of the `example` environment.

Question 1-d.

The question in a subsubsection

Question 1-e.

Another question in a subsubsection

Example 4.

This is an example of the `example` environment.

1.1.2 A subsubsection

Question 1-f.

The question in a subsubsection

Example 5.

This is an example of the `example` environment.

Question 1-g.

Another question in a subsubsection

1.2 Another subsection

Example 6.

This is an example of the `example` environment.

Question 1-h.

Another question in a subsection

Question 1-i.

What is this question?

2 Another section

Question 2-a.

Another question in another section

Question 2-b.

Another question in another section

Example 7.

This is an example of the `example` environment.

2.1 A subsection

Question 2-c.

The question in a subsection

Question 2-d.

Another question in a subsection

Example 8.

This is an example of the `example` environment.

Question 2-e.

Another question in a subsection

2.1.1 A subsubsection

Question 2-f.

The question in a subsubsection

Question 2-g.

Another question in a subsubsection

Example 9.

This is an example of the `example` environment.

2.1.2 A subsubsection

Question 2-h.

The question in a subsubsection

Question 2-i.

Another question in a subsubsection

Example 10.

This is an example of the `example` environment.
